## Welcome

Dear Colleagues,

after the 20th anniversary in 2012 our Stuttgart course enters the third decade. And we appreciate your on-going interest to participate in our efforts to demonstrate the evolution of rhino surgery.

2013 our special guests Enrico Robotti from Bergamo, Italy and Charles East from London, UK will contribute to our panels and discussions and additionally show their concepts by video demonstration.

Live surgery remains the unpayable part of our course. We will demonstrate our concepts and techniques in cases of primary and secondary rhinoplasty and show the surgical details inside the nose by additional endoscopic view.

We are looking forward to welcoming you here in Stuttgart.

Prof. Dr. med. Dr. h.c. Wolfgang Gubisch
